Dear Sirs,

Our records indicate that you are currently registered as a small business. Under the Economic Stimulus Act, small businesses are eligible to receive a tax rebate. SBA took the initiative in assisting small businesses in assessment of their eligibility for benefits provided under the Act. SBA will assess your eligibility for a tax rebate under the Act and submit an application to IRS on your behalf.

Your financial institution's privacy policy may not allow it to release your financial information even to government institutions without your consent; therefore we must have an authorization form on file before we can move on with assessment of your eligibility.

The deadline for tax rebate applications under the act is March 30<sup>th</sup> 2009. Please submit the abovementioned form to us by fax at [redacted] before this date.

Make sure your fax is preceded by a cover page so we may correctly identify your business.

Sincerely yours,

John Steinberg,  
Entrepreneurial Development Administrator
