

Allen Hill

Acting Deputy Assistant Commissioner for Category Management
Office of Information Technology Category
Federal Acquisition Service
U.S. General Services Administration

Allen Hill is the Acting Deputy Assistant Commissioner for Category Management, Office of Information Technology Category (ITC), in GSA's Federal Acquisition Service (FAS). The Federal Acquisition Service provides buying platforms and acquisition services to Federal, DoD, State and Local governments for a broad range of items from office supplies to motor vehicles to information technology and telecommunications products and services.

The ITC Deputy Assistant Commissioner for Category Management provides executive leadership over a portfolio of acquisition solutions through which customer agencies procure more than \$9 billion in IT products and services.

These solutions include the Government-wide Acquisition Contracts (GWACs) Alliant 2, Alliant Small Business 2, VETS2 and 8(a) STARS. In addition, his portfolio also includes Enterprise Infrastructure Solutions (EIS) and the USAccess shared services program. Allen's guidance and oversight of the category teams ensures ITC continues to play a critical role in the Administration's IT modernization efforts to drive a more efficient and effective government for the American people.

Allen previously served as the Director of Telecommunication Services, where he was responsible for a portfolio of contracts that provide government agencies with a diverse set of telecommunications services valued at over \$3 billion annually. These offerings include EIS, Networx, Connections II, Custom SATCOM Solutions (CS2) and Custom SATCOM Solutions–Small Business (CS2-SB), Wireless FSSI and Managed Mobility, Federal Relay services for individuals who are deaf or hard of hearing, and over 80 local telecommunications services contracts. Mr. Hill was also responsible for the Network Services 2020 Strategy to include EIS as the replacement for Networx, and for program leadership across GSA's 11 Regional Network Services organizations.

Allen came to ITC from the Department of Education where he served as the Director, Office of the Chief Information Officer (OCIO). During his 5 years with ED's OCIO, Allen led the strategic planning, policy development, and executive management of all Information Technology (IT), Management (IM) and Assurance (IA) systems. He oversaw \$50M+ in IT support services contracts, including those related to network, mobile, and security. His work has helped ensure that millions of students and thousands of schools throughout the nation receive their funds.

Previously, Allen served as the Director of Pacific Operations at CACI and Senior Technical Advisor with Verizon Business working with the Defense Information System Agency (DISA). He also has 20 years of experience with the US Air Force.
