

Okta Speaker:

Habib Hourani (cc'd)

Senior Solutions Engineer, Okta

Headshot attached

Habib is a Solution Engineer at Okta where he helps Federal and DoD agencies implement strong identity and access management policy within a Zero Trust Framework. He started his career in telecommunications and infrastructure, bringing with him over a decade of end-user and IT operations experience. Prior to joining Okta, Habib was the ICAM lead for a Fortune 500 company where he deployed Okta and was responsible for its day to day operations in addition to his other responsibilities.
