Downloading the Fedstival App

Get The App

1 Go to the right store.

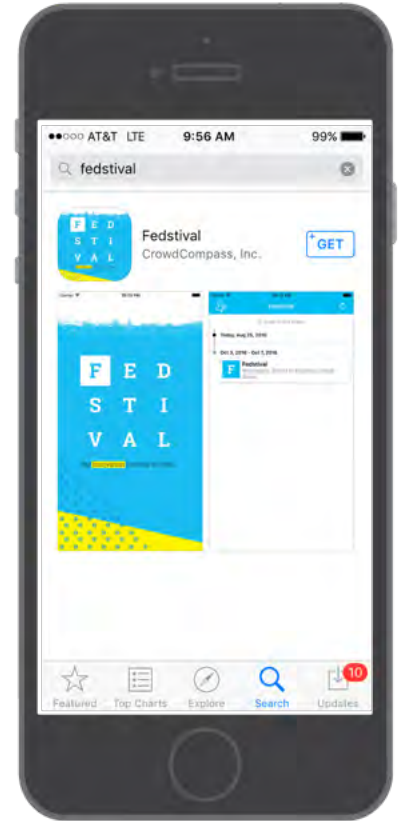

Access the App Store on iOS devices and the Play Store on Android.

If you're using a Blackberry or Windows phone, skip these steps. You'll need to use the web version of the app found here: [<https://event.crowdcompass.com/fedstival2016>].

2 Install the app.

Search for the name of the event, "Fedstival". Once you've found the app, tap either Get or Install.

After installing, a new icon will appear on the homescreen.

Or Check for Updates

1 Go to the right store.

Access the App Store on iOS devices and the Play Store on Android.

2 Check for updates. If you have an iOS device, tap the **Updates** tab and check the list to see if any updates are available for your app.

For an Android device, tap the hamburger icon, then **My apps**. Check to see if your app is listed under "Updates." If it is, tap its name, then **Update**.

If you are having any issues downloading the app, please reach out to Sally Wrenn at swrenn@govexec.com.
