

John Hultquist

Senior Director, Intelligence Analysis

John Hultquist leads the FireEye Mandiant Threat Intelligence analysis team. Prior to the acquisition of iSIGHT Partners by FireEye, John led iSIGHT's cyber espionage practice and was responsible for creating the cyber espionage reporting line.

He has over a decade of experience covering emerging threats in cyber espionage and hacktivism and working in senior intelligence analysis positions in the U.S. Before working in cyber security, he worked with information sharing and analysis centers and was involved in counterinsurgency operations in the U.S. Army.
