# Government Executive Media Group Viewcast Registration Procedures

Dear Registrant,

Thank you for your interest in Government Executive Media Group's digital events. We have recently switched to a new viewing platform to enhance your user experience.

If you are having difficulty viewing the platform, please follow the below steps:

## Step 1:

1) Make sure that your browser is up to date, clear its cache and cookies, and refresh the page.

To clear your cache/cookies on a PC:

- Open the desktop, and then tap or click the **Internet** Explorer icon on the taskbar.
- Tap or click the Tools button, point to Safety, and then tap or click **Delete** browsing history.
- Select the **Cookies** and website data check box, and then tap or click **Delete**.
- To clear your cache/cookies on a Mac: <u>Click Here</u>.
- To clear cache/cookies on your browser: Click Here.

# Step 2:

2) Please visit our systems test page at:

https://www.brighttalk.com/pages/customer-support/test-your-system#

Please run through the "Check your firewall" page.

We would greatly appreciate for you to send <u>afreund@govexec.com</u> the results of those tests.

## Step 3:

3) If all else comes back normal, yet you're still unable to register for the event, I recommend ensuring that your third party cookie setting is **enabled**. And then I will register you on the backend.

## Could you please provide the following information to afreund@govexec.com:

Work Zip Code

I will register you with your email address and the password: **nextgov** 

If you have any further questions, and would like to speak with the Digital Events Coordinator, Ashley Freund, please call her at 202-266-7582.

# **Standard Protocol for Registration**

Thank you for your interest in Government Executive Media Group's digital events. Below I have provided step-by-step instructions to guide you through the registration process.

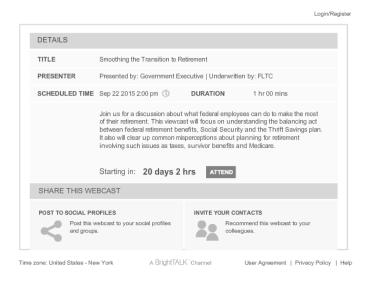

If you are not a previous subscriber to BrightTALK, (Government Executive Media Group's new viewing platform for digital events), please follow the below steps:
